You are attempting to promote a false Christian Apostolicity. You are now involving the Melkites as well as the entire One Holy Universal Apostolic Ecclesia in Christ, we pray in our Divine Liturgy and the Nicene Creed. You bring shame, scandal and continued rebellion, which we now call on Heaven to thwart and expose you as false apostles.

You are hereby **anathematized** from the One Holy Apostolic Catholic Church. May God have mercy on your souls. You are no longer allowed to participate in or conduct any of the Holy Sacraments of the Holy Traditional Church of Christ.
