## Notice of Release

Dear Bishop Paul,

Your resignation has been received as of December 9, 2002

Since you have not found it in your heart not to repent from the canonical violations that occurred on December 1<sup>st</sup>, you are hereby released from the Holy Ukrainian Autocephalic Orthodox Church in Exile, Blessing of Kiev. You are returned to the clergymen status that you had prior to being in our Jurisdiction. You are no longer an Orthodox Bishop. The canons state that you should be deposed to laity but through prayer and counseling with a brother hierarch, we deemed this to be sufficient. I would like to purchase from you the vestments you wore as an Orthodox Bishop since you can no longer vest in them. Please let me know how much they would cost.

In Christ's service  
Archbishop Haralambos, Primate  
Holy Ukrainian Autocephalic Orthodox Church
